

Litigation

Being a full service law firm our practice areas include different spheres of litigation and dispute resolution, ranging from writ petitions, suits, criminal proceedings, recovery proceedings, public interest litigation, appeals, revisions, reviews, bails, anticipatory bails, defamation, matrimonial and custody proceedings etc.

We have vast experience in appearing before various High Courts all over the country, District and Sessions Courts, Industrial Tribunals, Labour Courts, Commissions including the Company Law Board, Foreign Exchange Management Board, Income Tax Tribunal, Income Tax Appellate Tribunal, Debt Recovery Tribunals, Debt Recovery Appellate Tribunals, Monopolies and Restrictive Trade Practices Commission etc.

We act in various aspects of property related litigation, which includes, rent reviews, professional negligence claims, joint venture disputes, development schemes where we have acted on issues arising out of new developments, for developers, occupiers and adjoining landowners - including rights to light and nuisance claims.

Our group covers all aspects of both private and public M&A litigation and related issues, and has experience in all aspects of M&A transactions with particular industry-leading expertise in disputes relating to public offers and warranty agreements.

Our team also focuses on fraud and white collar related crime, exclusively in complex, high-value disputes that threaten the business and reputation of banks and major corporate and global institutions. We are also involved in:

- Investigation of serious and complex frauds in a commercial and regulatory context;
- Money laundering offences;
- Cyber related crimes; and
- Asset tracing, recovery and enforcement.
