

## Real Estate

Our real estate team includes specialists in banking, mergers and acquisitions, real estate corporate finance, tax, funds, securitisation, litigation and asset finance, as well as construction, planning and other real estate specific expertise.

We have significant experience in advising investors on cross-border and multi-jurisdictional investment programmes including:

- The buying and selling of investment properties;
- The establishment of investment vehicles such as real estate funds, joint ventures or partnerships and limited partnerships
- Cross-border investment advice and structuring; and
- A key part of our advice to clients involves the associated financing and tax aspects of real estate investment.

We are continually advising investors, developers, retailers, leisure/hotel operators and local authorities on all types of retail and leisure projects. We offer advice in relation to site acquisitions, development, funding, letting, management (including hotel management and franchising agreements), rent review and redevelopment or refurbishment.

We have experience in all types of retail and leisure project including:

- Town centre retail developments;
- Out of town and regional shopping centres;
- Hotels & restaurants;
- Pubs and nightclubs; and
- Multiplex cinemas.
